carebeyondduty

## What is the Air Force Wounded Warrior Program?

The Air Force Wounded Warrior (AFW2) Program is a federally-mandated program that provides personalized care, services and advocacy for total force seriously wounded, ill and injured Recovering Service Members (RSMs).

### AFW2 goals are:

Provide well coordinated and personalized support RSMs, caregivers and their families. Advocate to ensure accessibility and minimize delays in gaps of medical and non-medical support and services.

Provide a refined, simplified transition back to duty or civilian life, ensuring RSMs are well-equipped to manage challenges as a result of their injury or illness.

## What are program enrollment eligibility requirements?

Identified as SI/VSI on a Casualty Morning Report or by a Medical Authority. On a case-by-case basis, Airmen with highly complex medical conditions as provided by a Medical Authority or medical diagnosis of:

Post Traumatic Stress Disorder (PTSD) or Traumatic Brain Injury (TBI).

Air Reserve Components (ARC) who are:

- Returned for more than 6 months on Title 10 medical orders (Serious/Severe Conditions)
- Returned to Title 10 orders for deployment related condition(s) (Serious/Severe Conditions)

## How do Airmen enroll in AFW2?

Anyone may refer a RSM to the AFW2 Program. Common avenues for referral are:

- Casualty Morning Report (CMR) (VSI/SI)
- Integrated Disability Evaluation System (IDES)
- Commander, First Sergeant, Supervisor
- Airman and Family Readiness Center (A&FRC)
- Medical Continuation (MEDCON) Cell
- Applications requesting compensation for Special Compensation for Assistance With Activities of Daily Living Program (SCAADL)

## What is a Recovery Team and what do they do?

The Recovery Team (RT) is an integral part of the Recovery Coordination Program, providing individualized support, care management and coordination. Key RT members are Recovery Care Coordinators, Non Medical Care Managers, Medical Care Case Managers, Commanders and First Sergeants, family members and caregivers.

The RT uses the Continuum of Care to provide services and anticipate the RSMs, caregivers and families needs.

The following is a list of services typically provided/coordinated.

- Comprehensive Recovery Planning
- Pay and personnel issues
- Personalized transition assistance
- Connecting with local and DoD resources to meet their needs
- Warm hand-off with the U.S. Department of Veterans Affairs
- Lodging and housing adaptation
- Child and youth care services
- Transportation needs

## What programs are offered to Wounded Warriors by the AFW2 Program?

The AFW2 Warrior Care Support Programs focus on specific personal and family needs through individualized support. Programs include:

- Family Liaison Officer Program (FLO)
- Caregiver Support Program
- Special Compensation for Assistance With Activities of Daily Living Program (SCAADL)
- Adaptive Sports & Reconditioning Programs
- Recovering Airman Mentorship Program (RAMP)
- Career Readiness Programs
- Communication & Outreach Events and opportunities
